

## Statement on Colmar site licenses

### *Capsugel Licaps® products*

Capsugel France SAS, 10 Rue Timken 68027 COLMAR Cedex FRANCE, manufacturer of Licaps® dietary supplements, certifies that:

- Products are manufactured in accordance with the European Dietary Supplement Regulation, the European regulation **(EC) N°178/2002** laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety and **(EC) N°852/2004** on the hygiene of foodstuffs.
- The Good Manufacturing Practices implemented answer to the HACCP « Hazard Analysis Critical Control Point» requirement to prevent any chemical, biological, allergens and physical contamination.
- The manufacturing plant is approved and registered by the competent French authorities, ("Direction Départementale de l'Emploi, du Travail, des Solidarités et de la Protection des Populations") under the following number:

**N° 612 050 518 00036**

- As producing products containing animal origin raw material, the plant is in compliance with the regulation **(EC) N°853/2004** laying down specific hygiene rules for food of animal origin and registered under the registration number:

**N° 68.066.002**

*Note: as the approval number is available in the official web site of the European Community, French Authorities do not deliver Health certificate for Capsugel products sold into the EU territories.*

*[https://ec.europa.eu/food/safety/biosafety/food\\_hygiene/eu\\_food\\_establishments\\_en](https://ec.europa.eu/food/safety/biosafety/food_hygiene/eu_food_establishments_en)*

- The quality system is based on the rules of Good Manufacturing Practices for food supplements and is regularly audited by Lonza Corporate quality auditors and inspected by DDETSPP (French Food Administration) inspectors.
- The manufacturing plant is **ISO 9001, ISO 14001, ISO 22 000** certified by SGS, **Organic** recognized by ECOCERT and **MSC** ( Marine Stewardship Council) by Bureau Veritas.

The information contained herein corresponds to Lonza's knowledge on the subject at the date of publication and is, to the best of our knowledge, accurate. However, Lonza refuses any liability for the application and use of further processed material containing our products. Solely the manufacturer of the final product is responsible according to the relevant regulations.
